## A Time to Be Restored, Renewed, and Reconnected

This ladies retreat is a sacred space designed just for women who are longing for spiritual renewal, deeper fellowship, and a closer walk with God. It's an invitation to step away from the noise of everyday life and enter a place of rest, reflection, and renewal in His presence.

Throughout the retreat, we will gather to talk openly about Jesus, share our faith journeys, and encourage one another through meaningful conversations and fellowship. Through heartfelt worship, guided teachings, and prayer, you'll have the opportunity to reconnect with God, be refreshed in your spirit, and experience His love in a powerful way.

The retreat also includes relaxed meet-and-greet moments, allowing you to build genuine connections with other women, form lasting friendships, and grow together in faith. Whether you come seeking peace, clarity, healing, or simply community, this retreat is a chance to be poured into, uplifted, and reminded that you are victoriously designed with purpose and intention.

Come as you are—and leave renewed, encouraged, and strengthened and living God out loud for the world to see.

### **A Special Invitation**

Because this is our *first annual* Ladies Retreat and the notice is shorter than we hoped, we are offering this experience at a **special discounted rate**. Our prayer is simply to gather, worship, and create space for God to move—no matter the season.

If you're unable to join us this year, we lovingly invite you to begin planning now for next year's retreat. We believe *Victoriously Designed* will become a meaningful annual gathering, and we would be honored to welcome you when the timing is right.

Whether you come this year or next, know this: **you were created on purpose, for a purpose—and victory through Joy and living God out loud is part of your design.**

We look forward to growing together, worshiping together, and walking victoriously—  
together. 💎💎

God Bless you!
